Oh when the web cams look
and take a picture of my face
And all the mikes record
my words and yours into the database

Oh when the web cams look
and take a picture of my face

And all the mikes record
my words and yours into the database

Under surveillance, down by the sea, yeah
On a blanket with my baby is where I'll be

(Under surveillance) out of the sun
(Under surveillance) we'll be havin' some fun
(Under surveillance) people walking above
(Under surveillance) we'll be falling in love
Under surveillance, surveillance!

From the park they hear
the happy sound of everyone nearby
and your mobile tracks
your life until the day you die

From the park they hear
the happy sound of everyone nearby
and your mobile tracks
your life until the day you die

Under surveillance, down by the sea, yeah
On a blanket with my baby is where I'll be

(Under surveillance) out of the sun
(Under surveillance) we'll be havin' some fun
(Under surveillance) people walking above
(Under surveillance) we'll be making love
Under surveillance, surveillance!

Ooh, under surveillance, down by the sea, yeah
In a dragnet with my baby is where I'll be

(Under surveillance) out of the sun
(Under surveillance) we'll be havin' some fun
(Under surveillance) people walking above
(Under surveillance) we'll be falling in love
Under surveillance, surveillance!
